No. 487. Dated 19th October 1893.

To, The Chief Secretary to the Dewan of Mysore

Sir,

With reference to your letter No $\frac{2504}{J\ 259}$ dated 1st. August 1893, requesting a report on the result of action taken in regard to the subject No 5-13 discussed at the meeting of the Representative assembly held in Oct 1892 I have the honor to state as follows:-

The site near the Kaki Pylwan's Masjed formerly a cart-stand as described in the enclosed copy of Government Notification No $\frac{453}{L\ 444}$ dated 31st March 1891 was required for a public purpose - viz for improving the frontages on the north of Kaki Pailwan's road in the City of Mysore and the sanitation of the neighbourhood. As the owners thereof would not agree to part with it amicably reference was made under the Land Acquisition Act to the District Judge at Mysore for an award of proper compensation the persons who had been made defendants in the Land Acquisition

to state the nature and particulars of their claim to Compensation before the Court preferring to represent their case to the Dewan. The Court proceeded with the case notwithstanding and passed an award for Rs 6+3/- with the usual 15% on account of compensation payable for the site acquired. vide Judgment in C.S. No 16 of 1891 dated 17th August 1891.

Some Mahomedans interested in the Musjid applied to the Dewan in May 1891 for the grant of a monthly stipend equivalent to the income which they were receiving from the Cart-stand for the maintenance of the Mosque. That petition is not forthcoming in the file connected with the subject under discussion Two other petitions received in the Dewan's Office subsequently being reminders from the petitioners were forwarded to the Deputy Commissioner for disposal with reference to instructions given by the Dewan personally in the course of his inspection of the site in question during the month of May or June 1891. The Chief Secretary's memorandum referred to above was

forwarded to the Vice President, Mr. T. Raghavendra Row for report on the facts of the case, together with the notes containing the Dewan's orders on the subject.

As the book in which the Dewan's orders had been noted by Mr. Mahomed Ali was not forthcoming in the Municipal Office, Mr. T. Raghavendra Row delayed making the report on the Dep[uty] Comm[issioner]'s reference, and his successors also failed to bring the matter to the notice of the Deputy Commissioner up to date. The Mahomedans who allege to have interest in the Masjid and its properties and who signed a petition addressed to the Dewan on the 26th January 1892 state that they were in receipt of a monthly rent of Rs 50/ from the cart-stand and the iron furnace it contained, that the sum was utilized for the expenses connected with the Masjid and that since the acquisition of the cart-stand by Government they have been deprived of the income and put to much inconvenience and pray therefore that a monthly allowance

Rs 50/ might be granted in addition to a daily provision of 5 seers (ಂ ೨೨-೮ ಅ ಂ ೨೨ ಪ) for feeding the travellers.

The petitioners thus ask for a stipend equal to Rs 600/ a year in perpetuity, which capitalized at 4% represents 15,000 Rs, besides some rations, while the value of the property acquired is only Rs 643/ as per District Judge's award. The parties have failed to receive the amount awarded though asked to do so and the amount is reported to have been remitted from the Municipal Office to the District Judge's Court for payment to them.

In regard to the representation made by the Mahomedan Community to the Dewan at the last Dassara assembly for ordering the restoration of the property acquired for the use of the Mosque, the Sanitary Engineer, Mr. Standish Lee was consulted and he states that he has no objection to allow the cart-stand to remain as the property of the Mosque on condition that (1) the public ground between the

Cart-stand limits and the new compound wall along Prince Victors road be paid for by the Mussalmens together with the cost of building the wall and (2) that no building of small native houses, horse stables or sheds be erected on the grounds.

The owners of Makkan were, I understand, spoken to by Mr. Muhamed Ali while officiating as Deputy Commr and that an alternative proposal offered by him to construct terraced bazaars was refused, as also the conditions mentioned by Mr Lee. Under these circumstances no final settlement could be arrived at with the Managers of the Mosque.
